Steve, Jeremy, Jill & Brian,

In accordance with Contract Review Boards decision last night at City Council meeting, the City will be contracting with all 3 providers U-Turn180, Compass Learning Systems and NTSI. We are finalizing the contract and you should receive another email from me the end of this week or first part of next week that will have the contract attached requesting you to sign and then return to me. If you have any questions let me know.
