PRE-APPLICATION - HOLD HARMLESS AGREEMENT FORM

Applicable only to Type 2 Applications

Pursuant to Section 50.20.1 of the Beaverton Development Code, a Pre-Application Conference is **required** for all proposals which require Type 2, Type 3 or Type 4 applications. A Pre-Application Conference is **optional** for Type 1 applications. The purpose of the pre-application conference is to acquaint the City and outside agencies and service providers with a potential application, and to acquaint the applicant with the requirements of the Development Code, the Comprehensive Plan, and other relevant criteria and procedures for submitting a complete land use application.

By signing this form, the applicant has elected to not hold a Pre-Application Conference with City staff. By making such choice, the applicant understands that the City staff will not provide a detailed list of application submittal requirements before the applicant files a land use application with the City. The applicant accepts responsibility for submitting a complete application and holds the City harmless from identifying additional application submittal requirements during the completeness review of the submitted land use application.

Please note: There is an option to forgo the Pre-Application Conference only if the proposal is subject to a Type 2 application. If your proposal requires Type 3 or has the potential for Type 3 application, the Pre-Application Conference is required and this option is not available. The only exception for a Type 3 application, subject to the approval of the Director, is in the instance where a Type 3 application is identified as a required application after completeness.
