Hello Jeremy.

Please find the SPL packet attached for your review and approval. Please send me the approved document once you have completed it.

Thank you,

Sandra Layton

Good afternoon Sandra-

I reviewed your proposal and verified it does not alter any fire department access or water supplies. Therefore, no TVF&R permit is required for this project. Please submit this e-mail to the COB with your land use application. Let me know if you have any questions.

Thank you,

Jeremy Foster|Deputy Fire Marshal

Tualatin Valley Fire & Rescue

Direct: 503-259-1414
