City of Beaverton

To Whom it May Concern

This letter is to state my total support of Melissa Bruce and Rooted Care Communities. My mother lived at 3950 SW Laurelwood Avenue for two years until her death last week. She received exceptional love and care while she was there.

I would highly recommend this home to any family who is searching for a caring, responsible, dedicated, and family oriented home for their loved one. The residents are treated like family members with the love and care you would give to your own. The minute you walk into the home, you feel the warmth. This was my mother's third adult care home and it was definitely the best for her. I hope this home continues to serve the community for years to come. An exceptional home is not always easy to find.

Sincerely
