Good afternoon Jason-

I have reviewed this proposal and verified that TVF&R will not be requiring a service provider permit for the scope of this work. No alterations proposed to fire department access and/or water supplies. Please submit this to the COB with your land use application. Let me know if you have any questions.

Thank you,

**Jeremy Foster | Deputy Fire Marshal**

## Service provider permit for Beaverton

### Instructions

1. Complete & submit the [TVF&R Permit Application](#)
2. Complete & submit the [Fire Department Access and Water Supply Permit Checklist](#)
3. Attach one plan sheet, labeled FS-1, that clearly shows all access and water supply requirements of the Fire Department Access and Water Supply Permit Checklist. If more plan sheets are necessary, label them FS-2, FS-3, etc. Please keep plan sheets to a minimum.

Once approved, an electronically stamped plan will be returned to you. The

---

approved plan and permit application will then need to be submitted with your land use application to the [city of Beaverton Planning Department](#) . If you have further questions, please contact Jeremy Foster at 503-259-1414 or Brian Ernst at 503-259-1422.
