Good afternoon Rebecca- As long as there are no alterations to the building (new structures or additions) and the fire lanes stay the same, then no SPP is required from TVF&R. Hope this helps, let me know if you have any questions.

Thank you,

Jeremy,

The City of Beaverton lists a service provider letter from TVFR as a completeness item on a Conditional Use permit. There is no new construction or alterations of the building. It looks like your application only covers new construction or alterations. Do you need to send us a service provider letter?

Thank you –  
Rebecca
