After recording return to:

IN THE MATTER OF A REQUEST FOR APPROVAL) ORDER NO. 2761
OF AN APPEAL OF A MINOR ADJUSTMENT) APP2020-0002 ORDER DENYING
APPLICATION FOR SOUTHRIDGE PARK) THE APPEAL OF A MINOR ADJUSTMENT
SUBDIVISION.) (ADJ2019-0018) APPLICATION.

The matter came before the Planning Commission on April 8, 2020, and on May 13, 2020 on a request to appeal the Director’s decision to approving a Minor Adjustment application to reduce the standard size of four lots (6, 7, 8 and 9) associated with the Southridge Park Subdivision. The subject site is located at 13335 SW Davies Road, Tax Lot 14600 on Washington County Tax Assessor’s Map 1S128AB.

The appellant contended that the reduced lot sizes were not compatible with the established surrounding neighborhood, that the proposal was inconsistent with the Comprehensive Plan and that the proposed through street (extension of SW 133rd Avenue) would be unsafe. The applicant rebutted that the appeal failed to satisfy Beaverton Development Code Section 50.65.2.E, which requires that the appeal identify “The specific approval criteria, condition, or both being appealed, the reasons why a finding, condition, or both is in error as a matter of fact, law or both, and the evidence relied on to allege the error.” The applicant also explained that compatibility

and the Comprehensive Plan were not applicable approval criteria for a Minor Adjustment application. Addressing the safety of the street concerns, City of Beaverton Transportation Engineer, Jabra Khasho, stated during the April 8, 2020 hearing that high speeds are not expected on the extension of SW 133rd Avenue because it will be a narrow street and stop-controlled at both ends.

Pursuant to Ordinance 2050 (Development Code) Section 50.80, the Planning Commission conducted a public hearing and considered testimony and exhibits on the subject proposal.

The Commission, after holding the public hearing and considering all oral and written testimony, adopts the Staff Report dated February 20, 2020, Supplemental Staff Memorandum dated April 1, 2020, Supplemental Staff Memorandum dated April 7, 2020, Supplemental Staff Memorandum dated April 8, 2020 and Supplemental Staff Memorandum dated May 6, 2020 and the findings contained therein, as applicable to the approval criteria contained in Section 40.10.15.1.C of the Development Code.

Therefore, **IT IS HEREBY ORDERED** that **APP2020-0002** is **DENIED**, based on the testimony, reports and exhibits, and evidence presented during the public hearing on the matter and based on the facts, findings, and conclusions found in the Staff Report dated February 20, 2020, Supplemental Staff Memorandum dated April 1, 2020, Supplemental Staff Memorandum dated April 7, 2020, Supplemental Staff Memorandum dated April 8, 2020 and Supplemental Staff Memorandum dated May 6, 2020.

Motion **CARRIED**, by the following vote:

AYES: Lawler, Uba, Nye, Overhage, Saldanha, Winter.
NAYS: None.
ABSTAIN: None.
ABSENT: Brucker.

Dated this 19th day of May, 2020.

To appeal the decision of the Planning Commission, as articulated in Land Use Order No. 2761 an appeal must be filed on an Appeal form provided by the Director at the City of Beaverton Community Development Department's office by no later than 4:30 p.m. on June 9, 2020.
