DÉCOR OUTLETS OF AMERICA, INC.,)	DÉCOR, SHARED PARKING APPLICATION.
APPLICANT.)	

The matter came before the Planning Commission on February 1, 2023, on a Shared Parking Application request to share required off-street parking between the Phase 1 and Phase 2 sites, located at 10700 SW Allen Boulevard, specifically identified as Tax Lots 100, 200, 400, and 500 on Washington County Tax Assessor’s Map 1S122AA.

Pursuant to Ordinance 2050 (Development Code) Section 50.45, the Planning Commission conducted a public hearing and considered testimony and exhibits on the subject proposal.

Public Testimony. Public testimony raised concerns that the project’s on-site pedestrian walkways were not designed to provide safe, efficient, and direct routes, thereby creating issues related to pedestrian circulation, pedestrian safety, and accessibility. Public testimony stated the proposal does not comply with Section 40.55.15.2.C.10 (Shared Parking Application).

Commission Findings. Based on the evidence in the record, including the testimony received at the hearing, the Commission finds that the applicant has met Section 40.55.15.2.C.10 (Shared Parking Application). Although the pedestrian circulation may not provide the most direct route in all cases, the

applicant has shown that the pedestrian walkways are safe, efficient, and reasonably direct considering topography and on-site vehicular movement.

The Commission, after holding the public hearing and considering all oral and written testimony, adopts the Staff Report dated February 1, 2023, and the Supplemental Memoranda dated February 6, 2023, and February 8, 2023, and the findings contained therein, as applicable to the approval criteria contained in Section 40.55.15.2.C of the Development Code.

Therefore, **IT IS HEREBY ORDERED** that **PD2022-0006** is **APPROVED**, based on the testimony, reports and exhibits, and evidence presented during the public hearing on the matter and based on the facts, findings, and conclusions found in the Staff Report dated February 1, 2023, and the Supplemental Memoranda dated February 6, 2023, and February 8, 2023, and the findings contained therein and in this order, subject to the conditions of approval as follows:
