The Beaverton **PLANNING COMMISSION** has issued the following decision for **LU32024-00557 Ashcreek Playschool** at the Commission's October 23, 2024, meeting:

CU32023-00555 – Major Modification of a Conditional Use Permit – **DENIED**
DR12024-00090 – Design Review Compliance Letter – **APPROVED**

The Land Use Orders summarizing the Commission's decision can be viewed and downloaded at <http://apps2.beavertonoregon.gov/DevelopmentProjects/>. You may contact the staff planner identified below to have a copy of the Land Use Order mailed to you.

The **PLANNING COMMISSION** decision is final, but may be appealed within ten (10) calendar days after the date the signed notice is dated and mailed. The appeal closing date is **4:30 p.m., November 12, 2024**. Pursuant to Section 50.70, an appeal application shall contain the following minimum information:

1. The case file number designated by the City.
2. The name and signature of each appellant.
3. Reference to the oral or written evidence provided to the decision-making authority by the appellant that is contrary to the decision.
4. If multiple people sign and file a single appeal, the appeal shall include verifiable evidence that each appellant provided written testimony to the decision-making authority and that the decision being appealed was contrary to such testimony. The appeal shall designate one person as the contact representative for all pre-appeal hearing contact with the City. All contact with the City regarding the appeal, including notice, shall be through this contact representative.
5. The specific approval criteria, condition, or both being appealed, the reasons why the finding, condition, or both is in error as a matter of fact, law or both, and the evidence relied on to allege the error.
6. The appeal fee, as established by resolution of the City Council.

The appellate decision making authority on appeal of Type 3 decisions shall be the City Council. The appeal hearing shall be *de novo*, which means new evidence and argument can be introduced in writing, orally, or both. The hearing of the appeal shall be conducted

in the manner specified in Section 50.85 through 50.88 except as otherwise required by statute.

Please note that failure to comply with the requirements of Sections 50.70.1 and 50.70.2 is jurisdictional and deprives the appellant of an opportunity for the appellate decision-making authority to hear an appeal.

The current appeal fee due at time of filing is \$6,480.60. The fee amount depends upon the action being appealed and the number of appeals being filed. Furthermore, pursuant to Section 50.70.5.E if the appeal is requested to be on the record, a fee to cover the cost of preparing a transcript of the decision-making authority proceedings is required. The appellant shall remit a fee to cover the cost of the transcript of the decision-making authority's proceedings within five (5) days after the Director estimates the cost of the transcript. Within ten (10) days of the notice of completion of the transcript, the appellant shall remit the balance due on the cost of the transcript. If the estimate exceeds the cost, the balance shall be refunded.

The complete case file is available for electronic review at City Hall. For more information about the project, please contact **Steve Regner, Senior Planner**, at **(503) 319-4427** or **sregner@beavertonoregon.gov**.

Sincerely,
