Summary of Application: Per Section 50.10.4 of the Beaverton Development Code, the following re-notice is being provided due to the applicant’s request to withdraw one land use application submitted for the South Cooper Mountain Main Street proposal. The applicant has requested to withdraw a Minor Adjustment-Affordable Housing (AD2020-0003) to increase to the maximum density. The remaining applications will be heard at the previously noticed date and time of October 21, 2020 at 6:30 p.m. The original project description is provided below for reference.

The applicant, Wishcamper Development Partners, requests approval for the construction of 84 affordable multifamily housing units, 80 affordable independent multifamily senior living units, and approximately 30,000 square feet of non-residential uses within the South Cooper Mountain (SCM) Community Plan area. The applicant is seeking a reduction to required on-site parking through the submittal of a Major Adjustment – Affordable Housing (ADJ2020-0002) application. The applicant proposes a phased Planned Unit Development which is a Conditional Use (CU2020-0002) in the proposed Neighborhood Service (NS) zone. Additionally, Residential uses within the proposed NS zone are subject to Conditional Use review (CU2020-0003). The proposed development is subject to Design Review, therefore the applicant has submitted a Design Review Three (DR2020-0067) application. The applicant also requests to establish three (3) lots on the site and therefore has submitted a Preliminary Partition (LD2020-0007) application. The applicant’s proposal also includes a request to be able to share parking located on different lots within the subject site for which the applicant has submitted a Parking Determination (PD2020-0002) application. The applicant also seeks approval to construct a five (5) foot curb-tight sidewalk along a portion of a proposed street, for which a Sidewalk Design Modification (SDM2020-

0004) is required. To apply City zoning to the subject site, which currently retains an interim Washington County zone, the applicant has also submitted a request for a Zoning Map Amendment (ZMA2020-0005).

Project Location: The site is located at 17811 SW Scholls Ferry Road, specifically identified as Tax Lot 500 on Washington County Tax Assessor's Map 2S106B.

Zoning & NAC: Washington County Interim Zoning (AF-20) / Neighbors Southwest NAC
