The Planning Commission shall conduct a hearing the appeal in accordance with adopted rules of procedure and shall make a decision on the development application after the hearing closes. Failure to raise an issue in a hearing, by testifying in person or by letter, or failure to provide statements or evidence with sufficient specificity to afford the decision-making authority an opportunity to respond to such issue, may preclude appeal to the Land Use Board of Appeals on that issue. The decision by the Planning Commission is the final City decision on the subject applications for PTF2019-0004 Walker Murray Road Improvements.

Pursuant to Section 50.65.4 of the Development Code, the appeal hearing shall be *de novo*, which means any new evidence and arguments can be introduced in writing, orally or both. The Planning Commission may affirm that decision, modify it or adopt its own decision based on its findings as to the relevant criteria for decision.
