### **Facilities Review Committee Meeting Day: December 29, 2021**

The Facilities Review Committee is not a decision-making body but advises the Director and Planning Commission on a project's conformity to the technical criteria specified in Section 40.03 of the Beaverton Development Code. The Director will include the Committee's recommendation in the staff report to the decision-making authority. The Facilities Review Committee meeting is open to the public but is not intended for public testimony.

The Planning Commission shall conduct hearings in accordance with adopted rules of procedure and shall make a decision on the development application after the hearing closes. Failure to raise an issue in a hearing, by testifying in person or by letter, or failure to provide statements or evidence with sufficient specificity to afford the decision making authority an opportunity to respond to such issue, precludes appeal to the Land Use Board of Appeals on the issue.
