With full faith and credit governing law is established in this document at this time to be: Declaration of Independence; Articles of *Confederation and perpetual Union*; *Oregon's Original Constitutions circa 1859*, and *The United States of America's Constitution circa 1859*. And ORCP 20A; Clearfield Doctrine; Accardi Doctrine; ex parte Young; ex parte Milligan; McCarran Walters Act 1952; Judiciary Act 1789-Sec 32; Judgment Nihil Dicit are all specifically called into this document. They are all governing law, which must be accepted. The current 13th and 14th amendments are bogus and must be rejected. Take Heed of the Blackstone Commentaries. The DOJ is agent to the entity responsible for the enumerated requirements of Article III, the one supreme Court that must claim original jurisdiction to be a court I would consider to have jurisdiction when found in conjunction with Amendment VII Court... The DOJ has failed miserably in their responsibility. ..We must do it ourselves. We define the words we use. We decide our method of communication.

This communiqué is not intended to mislead, defraud, deceive or threaten in any way and is submitted in "good faith and with clean hands." I do lawful not legal and this is my best effort.

I close with Love, peace, harmony and a prayer. A US Marshal has determined my prayer is not a threat. He then reneged on his word, which is only good one time. "Praise the Lord and pass the ammunition."

On Oregon, without the State of Oregon aka STATE OF OREGON, within The United States of America the Constitutional Republican form of government.//s//

Sovereign are men and women with their progeny on the land and soil without ruler or subjects. The de jure jurisdiction of The United States of America's Constitution circa 1859, original jurisdiction. The only codified government in history where ; "Natural rights inherent in people. We declare that all men, when they form a social compact are equal in right: that all power is inherent in the people, and all free governments are founded on their authority, and instituted for their peace, safety, and happiness; and they have at all times a right to alter, reform, or abolish the government in such manner as they may think proper. —" We returned to that on Oregon November 2022. Sovereign is defined in Bouvier Law Dictionary circa 1856.

In Congress Assembled among the several states 2024

We returned Oregon to a de jure Constitutional republican form of government November 2022

There really is an active conspiracy, the industrial/military/judicial/legislative/executive/banker/BAR/royalist/nazi/communist/jihadist/catholic/jesuit/Khazarian/UN/Big Pharma/medical conspiracy complex. Minus the Georgia Guidestones.

Sincerely the old, white, man , talking head for the Oregon
