Hi Brittany,

Here is an attempt to file a noise complaint via Washington County. They redirected me to use the non-emergency dispatch number.

Thx,

**Describe violation**

Queenz Asian Cuisine - I called them at 11:10pm tonight (4/29/2022) and the lady says they close at 9pm but hold venue events like weddings, parties, and concerts. The loud base sounds are disturbing and very annoying. They say they can play the loud music because they are running a business. But they are literally across the street from our home and other homes on Maple Drive. We really need their business to respect the 10pm to 7am quiet hours. Would you please contact them? This is the third time I have called them since their event on 4/2/2022. They just need to turn the music off at 10pm. Thank you for helping!! -Doug and Lora Wells, and neighbors on Maple Drive.

**Is the noise plainly audible from within your home?**

Yes
