Sir or Madam:

I am a long-time resident of Four Seasons, in West Beaverton, and I am writing to encourage the Planning Commission's approval of the pending use of a property on Division Street as a Sikh temple.

There is a church a block away from my house, and a Buddhist temple, and an Islamic center a mile and a half away from where I live. Seems only fair that if those were allowed to be rezoned from residential, (and the drugstore within rock-throwing distance of house to be carved out of a residential zone that was once a filbert orchard), there is room for the Sikhs here, as well.

Freedom of religion and all.

Thank you.
