Hello Ms. Peterson,

I have many questions about the project! What type of retail outlets will be placed there? What style of housing units are being planned? Town houses? Condo? High rises? Are there any renderings that the public can see in order to visualise.

If the space is intended for high end retail and high end housing, I have no doubt the strippers and hotel will vacate soon after.

Thank you for sharing any information you might have. I will spread the word to my neighbours.

This project will enhance our neighborhood which is in desperate need of logical and pertinent commercial retail outlets that serve the adjoining communities.
