Project Name: LU32023-00649 Beaverton Sikh temple

Case File Number: CUN32023-00644/DR22023-00645/TP22023/00646

After reviewing this public notice and driving by the property, I feel Division Street itself, with lack of sidewalks, its width, and the surrounding neighborhood do not warrant such a drastic and overly taxing use of this property. Division is a neighborhood street and the additional 80 plus cars during all time periods will put a huge burden on the area. This is not a commercial property and should be treated accordingly.

Sincerely,
