Hello,

As an 8 year homeowner in Beaverton the prospect of annexing South Cooper Mountain where we live has me concerned.

I do not recall ever being given a chance to vote on the annexation or giving written consent.

I am also requesting a specific list of services that would be provided in a proposed annexation as well as any timeline and projected tax increases that would occur.

Thank you,

Aaron Taylor

17955 SW Cooper Mountain Ln, Beaverton, OR 97007
