Subject: Queenz Asian cuisine - noise 4/29/2022 10:45pm thru 1:20am

Police drove by about 1:15-1:18/1:20am ish ... at first no thumping right then, but then clearly 1:18 when I called Qweenz.. right as police suv turned right off laurekwood next to Qweenz building... 1:28am now... seems quieter ... sometimes a seemingly quieter thumping but less steady and not as loud... ... Officer suggested going there during day and speak with them... officer asked my name as on license and birthdate ...
