Subject: [EXTERNAL] This evening's garbage

CAUTION: This email originated from outside the City of Beaverton. Exercise caution when opening attachments or clicking links from unknown senders.

You'd think they would try to clean up their act the very evening they are up for vote .

Please tell me where I go to start filing weekly complaints until this gets addressed. I really have no idea what process is required.

This whole mess is a really impossible situation and it cannot continue.
