Hi, We think it is a great idea to add a permanent bathroom if:

Bathrooms can be monitored twice daily and locked at night.

Bathrooms can be cleaned twice a week.

Doesn't end up a home for homeless

Doesn't put nearby school kids in danger with it becoming a drug and vagrant haven.

Thanks, Alan

PS Thought you would want to know I tried to use the bgada@beavertonoregon.gov website but it just put me to the main Beaverton website. Please let me know this email was received and entered into the Greenway Park Restroom testimony.
