A couple of my neighbors said I was being less than clear (chicken, if you will) when I put up my lawn signs saying "No Chix" and "Shame On Beaverton" and "Community Before Commerce". Was I "criticizing all chickens?", they asked. So with respect to any extension of hours in order to convenience the applicant and inconvenience the neighbors (such as myself) I'll be hopefully explicit: I'M AGAINST IT!

I DESPISE THE WHOLE SELFISH AND CYNICAL PROJECT WITH THE WHITE HOT INTENSITY OF A THOUSAND SUPERNOVAS (NOVAE), AND SO IT SHOULD BE OBVIOUS TO ANY SENTIENT BEING THAT I WOULD OPPOSE ANY EXTENSION OF HOURS, EVEN ONE MINUTE, EVEN ONE SECOND.

It would be like driving extra nails in the coffin. Why should anybody in the Laurel Street Neighborhood be bothered by a giant semi truck delivery or other activity on the site when everybody is against it, kept in the dark as the whole thing was staged? Beaverton has been seemingly willing to deeply damage our unincorporated neighborhood in order to provide INVESTMENT OPPORTUNITY for people who do not even live in the neighborhood. Replacing a low volume restaurant with access to B-H-Highway with a high volume restaurant with 35 foot wide access to our neighborhood road is disrespectful and destructive. Extending the hours would be truly NASTY. I'M AGAINST IT!

You, Chick-Fil-A and Beaverton working together, have already hurt us. You are poised to hurt us further. I can only ask you not to do so, on the record. It would be totally unpleasant for everyone. Bad for Beaverton; Bad for the neighborhood. Bad for me. I'M AGAINST IT!

So, I'm against any extension of hours. Did I mention that?
