Portland, OR 97225

Case File: DI2020-0002. Holman's Directors Funeral Home

Hello Lauren,

I hope this email finds you well. I am writing in regard to the above referenced proposal. I am the owner of property 8610 SW Milon lane. My property backs almost directly to the proposed site.

I understand this email is reaching you late in the game, however upon speaking with my neighboring property owners, I wanted to express my displeasure toward this proposal in hopes to have some impact on your decision. We believe that this proposed use could have a devastating impact to our residential neighborhood. We further have concerns that Holman's Funeral & Cremation Service are only stating this is funeral home / service business to get the location. Then down the road they will look to make an amendment to business filling after they are established so they can add a crematorium. We believe this is just the first step and then they will look to expand, which will further value and disrupt this beloved community.

I hope you will take all of this into consideration when making your decision on this business development proposal and do what is best for the neighborhood, community, and business environment by rejecting this proposal.

Thank you for your consideration of our concerns in reviewing this development.

Regards,
Stacy Schlesinger
