CAUTION: This email originated from outside the City of Beaverton. Exercise caution when opening attachments or clicking links from unknown senders.

Dear Beaverton City Planners,

My name is Li B Tan. I live two blocks away from the Schools Heights Apartment project site.(12826 SW Incline Dr) I oppose the 216 units of three-story apartment building project because it will devalue the neighborhood homes, block the sunlight and great views of the neighborhood, drive a lot more traffics to the crowded streets and make the neighborhood noise.

Thanks
